Members Present:

Kate Weekes, Heather Loewen, Aki Jonnasson, Kathy Craig

Presidents Agenda:

Replace secretary  
Spring concert  
Web Site

First order on Agenda, Caroline Watt resigns from Secretary Post as life developments have stayed her from attending meetings, she will still be email contact but we will need someone for taking notes. It has been decided since the cold weather keeps people home, people wishing to volunteer for the position can email their interest to our President Kate [info@kateweekes.com](mailto:info@kateweekes.com)

Second on Agenda we discussed a Spring Concert; we will be looking for volunteers to produce a Spring Concert by the end of May... A suggestion was a Mothers Day theme, but only a suggestion, the producers have free reign.

Third on the Agenda was the website, Heather and Kate were working on and will be in use soon with the great help of Grant Simpson...The site will be - [www.ywim.ca](http://www.ywim.ca) Only paid to date members will have their names and if they like a link to their sites as well. Again members can pay up at Rose music...remember to add your contact info on your receipt so we can record and up date contact info...

A suggestion of a summer overnight partying Marsh Lake was made? Something to think about...
